

10th European Conference on Ecological Restoration: Best Practice in Restoration - Session schedule at a glance (as of 21.07.2016)

	Foyer	H1	H2	H3	S1	S3	Foyer	H1	H2	H3	S1	S3		Foyer	H1	H2	H3	S1	S3
	Monday, 22.8.2016						Tuesday, 23.8.2016 - Practitioner's Day						Wednesday 24.08.2016 (8:30-18:00)	Thursday 25.8.2016					
08:00	Registration						Keynote: K. Prach (8:15-8:50) "Passive restoration: Why - or why not - let nature do the work instead of us"						Keynote: B. Wilsey (8:15-8:50) "Ecology of novel and native grassland ecosystems: Implications for restoration"						
08:30	Opening ceremony (8:30-9:15)						Keynote: Rob Marrs (9:15-9:50) "Managing soil fertility for ecological restoration"						Mid-conference excursions						
08:45							Methoden und Fallbeispiele Renaturierung (Best Practice, Germany) Chairs: K. Kiehl, S. Tischew						Large-scale Grassland Restoration in Europe: Practice and Prospects						
09:00							An Overview of Ecological Restoration in Europe Chair: J. Cortina						Unassisted Restoration: Progress and Pitfalls Chair: A. Fischer						
09:15							Conservation importance of Early Successional Stages in Restoration of Human-Made Sites Chair: V. Klaus, R. Schröder						Friday Workshop Briefing						
09:30							Ecological Restoration in Urban Areas Chairs: V. Klaus, R. Schröder						Outreach to future members and affiliates (Cortina)						
09:45							Soil Restoration Using Organic Amendments Chairs: D. Page-Dumroese, V. Bruckman						Filling the SER Knowledge database						
10:00	Coffee break: 10:00-10:30						Coffee break: 10:00-10:30						Coffee break: 10:00-10:30						
10:15							(cont.) Chairs: K. Rehounková, R. Tropek												
10:30	Fire in Ecosystem Dynamics and Restoration Chairs: O. Valkó, B. Tóthmérész						Floodplain Restoration in Modified Landscapes (cont.) Chair: B. Stammel						Filling the SER Knowledge database						
10:45	Forest and Woodland Restoration and Conversion Chair: M. Weber						Green-Blue Infrastructure Chair: A. Syrakaya						Filling the SER Knowledge database						
11:00	River Restoration from Theory to Practice Chairs: J. Pander, J. Geist						Quarries: Win-Win for Biodiversity Chair: A. Syrakaya						Filling the SER Knowledge database						
11:15	Restoration of Peatlands for Climate Change Mitigation and Adaptation Chairs: M. Dröslér, A. Freibauer						Monitoring Restoration Chair: J. Kollmann						Filling the SER Knowledge database						
11:30							Lunch break: 12:30-13:45 (30 min. earlier for S3)						Lunch break: 12:30-13:45						
11:45																			
12:00																			
12:15																			
12:30	Lunch break: 12:30-13:45						Lunch break: 12:30-13:45						Lunch break: 12:30-13:45						
12:45																			
13:00																			
13:15																			
13:30																			
13:45	Grazing as a Best Practice Restoration Tool Chairs: Sabine Tischew, Norbert Hölzel, Péter Török						Workshop: Herausforderung der Fließgewässerrenaturierung (German) Chair: W. Adelman						Filling the SER Knowledge database						
14:00	Forest and Woodland Restoration (cont.)						Making Restoration Economically Sustainable (Chairs: T. Knoke, N. Hanley)						Dealing with Invasives Chair: J. Kollmann, J. Geist						
14:15	River Restoration (cont.)						Restoring Biodiversity on Arable Land Chair: H. Albrecht						Conference declaration prep: Europe 15%, Germany 15%						
14:30	Restoring Multifunctional Ecosystems and Landscapes						Towards Enhancing Ecosystem Resilience in Fens Chairs: K. Hassel, A. Klimkowska, W. Kotowski						Filling the SER Knowledge database						
14:45	Remote Sensing in Conservation Monitoring Chairs: B. Deák, H. Heilmeyer						Establishing a German Restoration Network						Filling the SER Knowledge database						
15:00																			
15:15																			
15:30	Coffee break (15:30-16:00)						Coffee break (15:30-16:00)						Coffee break (15:30-16:00)						
15:45																			
16:00	Keynote: A. Tolvanen (16:00-16:35) "New approaches to consolidate ecological restoration within the multiple land-use scheme"						Keynote: N. Hanley (16:00-16:35) "Economic benefits and incentives for habitat restoration"						Keynote: J. Memmott (16:00-16:35) "The restoration of ecological interaction"						
16:15																			
16:30																			
16:45	Grazing as a Best Practice Restoration Tool (cont.)						Workshop: Restoration in Europe – a bigger picture Chairs: K. Civic, I. Dickie, R. van Diggelen						SER Member assembly (16:45-17:45)						
17:00	Floodplain Restoration in Modified Landscapes Chairs: B. Stammel, K. Kiehl (cont. on 23rd)						Workshop: LBV (NGO) and extraction industry as partners Chairs: M. Sitkewitz, B. Raab, B. Barov						Mid-conference excursions commented slideshows						
17:15	Workshop: Ecological restoration for disaster risk reduction Chairs: G. Halldorsson, C. Nilsson						Workshop: Sand habitats and LIFE @ SER2016 Chair: H. Röbbling						Commemorating SER2016 Action! Painting (with I. Kapps)						
17:30	Workshop: Restoration principles in landscape architecture Chair: Ann Kearsley						Workshop: Ecological aesthetics in landscape (restoration) design? Chair: U. Weilacher												
17:45																			
18:00																			
18:15																			
18:30	Poster Session 1 + Ice breaker (18:30-20:00), including poster voting						Poster Session 2 (18:30-20:00), including poster voting						Closing ceremony (Conference stats, Poster awards, Upcoming events) J. Kollmann, SERE President Cortina, SERI CEO Walker, SER2018 Organisers						
18:45																			
19:00																			
19:15	Outreach to future members and affiliates (Cortina)																		
19:30																			
19:45													20:00 Conference Dinner - Freising Centre ('Hofbrauhaus-Keller')
